

KENWOOD INN
AND SPA

OVERVIEW

Located among award-winning wineries in Sonoma's Valley of the Moon, the Kenwood Inn and Spa evokes the mood of a Mediterranean villa, complete with old-world charm. Nestled on a secluded hillside, second story suites offer sweeping views of over two thousand acres of beautiful estate vineyards lining Sonoma Valley. The Inn's 29 rooms are located in three separate courtyards spanning two and one-half acres. Kenwood's full-service spa highlights the organic products of ARCONA, along with treatments that utilize vinotherapy and the healing power of grapes. The restaurant at the Kenwood Inn & Spa is available only to in-house guests and is led by Italian-born, executive chef Renzo Veronese, who crafts a rustic Italian a la carte menu focused on house made pastas, meats and fish and estate grown fruit as available. The Inn also offers a private setting for corporate meetings, family celebrations, and beautiful weddings. Kenwood Inn and Spa is owned by Kenwood Inn Holdings LLC and managed by Columbia Hospitality, Inc.
