Tasting Notes by Distiller Nathan Kaiser

### 80 PROOF STRAIGHT BOURBON WHISKEY

This 80-proof straight bourbon whiskey has wonderful depth and is exceptionally smooth and accessible. Wonderful notes of butterscotch, vanilla, and hints of hat dark chocolate.

### AMARETTO BARREL FINISHED STRAIGHT BOURBON WHISKEY

Using amaretto barrels, we are finishing our bourbon for a one-of-a-kind whiskey. Nutty notes with a touch of dessert sweetness.

### WINE BARREL FINISHED STRAIGHT BOURBON WHISKEY

We are working with some great Washington state wineries to source some amazing barrels that we are using to finish 2bar bourbon. the notes and flavor of this whiskey give the complexity of a manhattan and the accessibility of a sipping whiskey all in one.

### BOTTLED IN BOND STRAIGHT BOURBON WHISKEY

A long time in the works! every day that passes we age our whiskey longer-and-longer. To our knowledge, we are the first bottled-in-bond distillery in Washington state and one of the first craft distilleries to release one.
